Excerpt from the Minutes of the 41st (3rd Quarter) Regular Board of Trustees Meeting held on the 12th day of October 2023 at the University of Southeastern Philippines.

Resolution No. 40, series of 2023

A RESOLUTION APPROVING THE DISASTER RISK REDUCTION AND MANAGEMENT PLAN 2023-2028 OF DAVAO DE ORO STATE COLLEGE

WHEREAS, the Davao de Oro State College Disaster Risk Reduction and Management Plan (DDOSC-DRRMP) is a comprehensive and proactive approach to reducing the risks and impacts of disasters on the college community;

WHEREAS, the DDOSC-DRRMP was developed in accordance with Republic Act 10121, which mandates the preparation and implementation of a holistic, comprehensive, integrated, responsive, and proactive DRRM plan;

WHEREAS, the DDOSC-DRRMP aims to enhance the disaster resilience of the college community by identifying the potential hazards and risks, developing appropriate mitigation measures, and implementing effective preparedness, response, and recovery measures. The plan has six main components: Risk Assessment and Analysis, Prevention and Mitigation, Preparedness, Response, Recovery, and Institutional Arrangements;

WHEREAS, the Risk Assessment and Analysis component identifies the potential hazards and risks that may affect the college community, including natural disasters and technological, and human-induced hazards. The component includes an analysis of the vulnerabilities and capacities of the college and its stakeholders to these hazards;

WHEREAS, the Prevention and Mitigation component includes the measures the college will undertake to reduce the risks of disasters. These measures may include structural and non-structural measures, such as hazard-resistant design and construction, land use planning, and early warning systems;

WHEREAS, the Preparedness component includes the activities that the college will undertake to enhance the readiness of the community to respond to disasters. These activities may include capacity-building and training, communication and information dissemination, and conducting drills and simulations;

WHEREAS, the Response component includes the activities the college will undertake to provide immediate assistance and support to affected individuals and communities during and after disasters. These activities may include search and rescue operations, evacuation, and providing relief goods and services;

WHEREAS, the Recovery component includes the activities the college will undertake to restore and rehabilitate the affected individuals and communities to their pre-disaster conditions. These activities may include psychosocial support, livelihood assistance, and infrastructure repairs and reconstruction;

WHEREAS, the Institutional Arrangements component outlines the roles and responsibilities of the various stakeholders in implementing the DDOSC-DRRMP, including the college administration, faculty, staff, students, local government units, and partner organizations;

WHEREAS, the plan's implementation will contribute to the resilience and sustainability of the college community and promote a safer and more disaster-resilient future;

WHEREAS, the DdOSC Joint College-wide Administrative and Academic Council hereby approved to endorse this matter to the Board Executive Committee (BEC) for the subsequent approval of the DdOSC Board of Trustees;

WHEREAS, all the conditions set forth by the BEC were already complied with, as reported by the College President during the 41st DdOSC Regular BOT Meeting;

NOW, THEREFORE:

BE IT RESOLVED, AS IT IS HEREBY RESOLVED, upon the motion of Hon. Sales, duly seconded by Hon. Erana, the DdOSC Governing Board hereby approved the aforementioned resolution;

Approved and adopted during the 41st (3rd Quarter) Regular Board of Trustees Meeting held on the 12th day of October 2023 at the University of Southeastern Philippines, Bo. Obrero, Davao City.

I HEREBY CERTIFY the correctness of the above-quoted resolution.
