Title of the Project	:	N/A
Implementer	:	Davao de Oro State College – Main Campus – Extension Services Division
Responsiveness to GAD Agenda, UN Sustainable Development Goals, AmBisyon Natin 2040, and Future Proofing Principles	:	This activity supports supports the GAD Mainstreaming Principles, precisely the principles of "equal access to and utilization of services" and "women and men are equally involved in decision making, as it encourages all genders, especially women, to participate. It contributes to the following Sustainable Development Goals (SDGs), (1) SDG 8: Promote sustained, inclusive, and sustainable economic growth, full and productive employment, (2) SDG 9: Build resilient infrastructure, promote inclusive and sustainable industrialization, and foster innovation (3) SDG 17: Strengthen partnerships for the goals Furthermore, this program is responsive to AmBisyon Natin 2040, as it makes efforts towards creating opportunities for Filipinos to enjoy a (1) Matatag at Balanseng Buhay, which features services that help people keep their families intact, achieve work-life balance, and allow them to spend enough time with their family even while they work or pursue their careers; (2) Maginhawang Buhay, or services that enable people to be gainfully employed and earn enough for the kind of life they want for their families; and (3) Ligtas at Panatag na Buhay, which features services that enable individuals and communities to achieve peace and security and to be resilient against shocks, whether man-made or caused by natural hazards.
Location	:	Boardroom, DDOSC Main Campus, Compostela, Davao de Oro
Duration	:	October 23, 2025 – 10:00 AM to 3:00 PM
Cooperating Agencies	:	Members of the Provincial MSMED Council
Target Beneficiaries/Participants	:	• Members of the Provincial MSMED Council • Micro, Small, and Medium Enterprise (MSME) owners/operators • Partner government and non-government agencies
Rationale	:	As a mandate to higher academic institutions, Davao de Oro State College recognizes the significant role of State Universities and Colleges (SUCs) in fostering inclusive local economic development. The Provincial Micro, Small, and Medium Enterprise Development (MSMED) Council is a strategic body that facilitates collaborative planning, implementation, and monitoring of MSME initiatives at the provincial level. In response to this mandate, the "Quarterly Meeting of the Provincial MSMED Council for CY 2025" will be hosted by DDOSC in partnership with relevant national and local agencies. These meetings serve as a venue for stakeholders to align efforts with national

		policies, evaluate progress of MSME projects, and strengthen support mechanisms for micro, small, and medium enterprises in the province. The initiative reinforces DDOSC's commitment to local development, enterprise growth, and capacity-building among key actors in the MSME sector.
Objectives	:	• To strengthen the MSME development ecosystem through collaborative planning, evaluation, and policy alignment among members of the Provincial MSMED Council.
Expected Output	:	1. Updated action plans for MSME program implementation 2. Strengthened collaboration between DDOSC, partner agencies, and MSMEs 3. Enhanced MSME competitiveness through identified interventions and support
Narrative	:	Davao de Oro State College, through its Extension Services Division headed by Dr. Jeson N. Geroche, convened the Provincial Micro, Small, and Medium Enterprises (MSME) Development Council for its 3rd Quarter Meeting for CY 2025 on October 23, 2025, at the College Boardroom, Main Campus. The gathering brought together council members, MSME owners and operators, as well as partner government and non-government organizations to assess ongoing programs and synchronize local initiatives with national MSME development priorities. The session also highlighted project implementation updates, emerging opportunities, and joint strategies aimed at strengthening the province's MSME landscape. The council reaffirmed its commitment to advancing provincial MSME efforts that align with national economic goals while addressing the unique needs and challenges of local enterprises.
