Article 658. Withholding of Records

When a student has pending financial obligations to the College, or when he/she has been charged with an official disciplinary action, the appropriate college official may request that the student's record: e.g., Transcripts, diploma, registration forms, be withheld.

Departments and offices, for example, should submit before the end of the semester the names of students with financial accountabilities to the Admission and Student Records Section/Unit so that action may be taken. Suppose the student has already settled his/her obligations.
